## The Early Years Project

\*\*Disclaimer: Milestone expectations vary among medical professionals, school systems, and early education providers. The following list compiles guidelines from multiple national organizations and is used throughout The Early Years Project. Continue to utilize the milestone expectations most relevant to you and your organization.

- American Speech-Language-Hearing Association. (n.d.-a). Communication milestones: Birth to 1 year. ASHA. <a href="https://www.asha.org/public/speech/development/01/">https://www.asha.org/public/speech/development/01/</a>
